

## **Back to Life**

Lyrics: Matthew Mackiewicz,  
Trevor Kaufman  
and Brandon Gollwitzer  
Music: Matthew Mackiewicz

You hold me up tonight  
The only truth that I can see  
You're the one to lead me back from here  
Cause my search is set on me  
  
I stand at the wall, now  
What's happened to me  
I'm lost in the darkness of myself  
And I'm fighting to breathe  
  
I can not stand alone  
The wound's too deep inside of me  
Touch me now, rebuild this fading life  
Before I fall in defeat

**Fill me with Your love**  
**Fill me with Your life I pray tonight**  
**And bring me back to the Father**  
**With Your sacrifice oh God of mine**

I stand at the wall, now  
What's happened to me  
I'm lost in the darkness of myself  
And I'm fighting to breathe

**Fill me with Your love**  
**Fill me with Your life I pray tonight**  
**And bring me back to the Father**  
**With Your sacrifice oh God of mine**

*Who is like my God*  
*You cover me in Your blood*  
*I will wait for You*  
*Until You take me back to life*
