Your words speaking truth through the

E A
Your feet guiding me to the place

Where You want me to be, have Your way
E A
Your arms reaching out to the ones

Who have drifted too far, have Your way
E A
Your hands holding on to the ones
E A
Who have fallen apart, have Your way

B A
Have Your way Lord, with my heart and my soul
C#m A
And the lives that You hold, take Your place
B A
Take Your place Lord, use my hands and my feet
C#m A
As I'm clothed in Your grace from above
B A B A
Have Your way with me, Take Your place in me
