Mercy

Lyrics: Trevor Kaufman
and Brandon Gollwitzer
Music: Brandon Gollwitzer

I'm gonna break away from where I came
I wanna give my life and all I am
To circulate the praises of Your name
Won't You break me
Yeah break me now

Resonate your voice inside my head
Your mercy calls my life in loves defense
Lead me out to give what You give
Come and take me
Yeah take me now

D G Bm A
In this world I will be, the arms of mercy
D G Bm A
Break me down to my knees to touch the bleeding
Bm G
You are the one You are the one who's love remains
Bm G
You are the one You are the one who guides my way

Intro

Against all hope Your mercy sets me free
And in Your light I stand with the redeemed
I'm giving up myself cause I believe
That You'll lead me
You'll lead me now

Chorus

Your mercy pulses through
Within my hearts desire
Humbly I'm found in You
Undignified

Chorus
